From Rao Sahib Sri P. Ramadoss, B.A.,
Dt.Magistrate of South Kanara.

To The Secretary to Government,
Home Department, Madras.

Sir

Madras City Police Act, 1888 (Act III of 1888) Sections 3, 28, 64 & 65 - Extension to Mangalore Town - Recommended - Draft Notification - submitted.

Ref. G.O.No.1426-Ms.Home, dated 25.6.1943.
" 2669 Home, dated 18.10.1943.

In G.O.No.1426 Ms.Home, dated 25.6.43, the Government of Madras have sanctioned the inclusion of 41 villages outlying the Mangalore Municipality under the jurisdiction of the Mangalore Police Circle for the purposes of administration. As thus, in the newly formed circle, the working of the City Crime Branch and Law and Order has been introduced, the Dt. Supdt. of Police proposes that it is essential to extend to the area, the provisions of Sections 3, 28, 64 and 65 of the Madras City Police Act III of 1888. In G.O.No.2669-Ms-Home, dated 18.10.1943, these provisions have been extended to certain parts of the Malabar District and it is desirable to have similar arrangement for Mangalore also. I agree with the Dt. Supdt. of Police's proposal and consider the proposed extension as obviously necessary. I recommend therefore that the Government may be pleased to extend the provisions of Sections 3, 28, 64 and 65 of the Act to the Mangalore Town comprising the area under the extended jurisdiction. A draft notification, is enclosed.

For Dt.Magistrate.

GOVERNMENT OF MADRAS
HOME DEPARTMENT

U.O. Note No. 256 MSR-1, dated the 19th August 1941.

Petrol rationing

As there is apparently some doubt among officers in the Secretariat regarding the prodedure for putting in claims for supplementary coupons, the position regarding ordinary and supplemental coupons is briefly set out below:-

Presumably all officers have already applied for and received their basic rations, based on the horse-power of their cars; these can be used at any time during the quarter i.e., up to the 31st of October; applications for basic coupons for the following quarter will have to be made sometime in October and a reminder will be issued in the Secretariat in due course, along with an intimation that forms are available.

As regards supplementary coupons, they are specifically only valid for the month that is stamped on the books of coupons. Government have already announced that supplementary coupons will only be given for August in special cases. Applications for supplementary coupons for September can be put in at any time now and it is necessary for individual officers to apply direct to the appropriate* rationing officer at "Balfour Hall", 5 Kelly's Road, Kilpauk. Forms of applications for supplementary coupons are available with the special Superintendent in the Home Department. The form as printed by the Government of India may not give enough space for a brief statement of the grounds of claim and in such cases officers are advised to attach a covering note giving details. Registration books must be sent with applications.

It may be repeated that the main heads of reasonable claim which, the Government have announced, will be considered, as far as Secretariat officers are concerned, are:-

(1) Conveyance to and from office; the exact mileage each way should always be stated in the claim.

(2) Work connected with the war, such as A.R.P. and Red Cross; in claiming under these heads, mileage should again be given, along with a statement of the number of times in a month, on an average if necessary, that such journeys have to be made by car.

(3) Sending children to school or college; Government have made it clear that claims on this account will only be recognised to the extent that such trips cannot be combined with other journeys.

2. It must be realised that the statement of reasonable grounds given above does not guarantee that officers will be given supplementary coupons to the full extent of their claim in additionx to their basic rations.
